Maintain cultural enrichments among local communities, Monterey Peninsula College Asian Student Association students hold its Annual Culture Show to celebrate

FULL DESCRIPTION

MPC ASA Culture Show opens to public. The goal of the event is to build a strong relationship between Monterey Peninsula College and local communities in Monterey County. The Culture Show goers' presence will not only show their support to the MPC students for their tireless commitment of organizing the Annual Culture Show, but it also means a lot to local students and local cultural performers who participate in the Culture Show event. Thus, the attendance of culture show goers is also a great honor for the MPC students, local students, and local cultural performers who want to display their cultural enrichments in Monterey while celebrating the Lunar New Year, the year of the Snake.

MPC Music Hall is next to MPC Theater. Culture Show attendees can park their cars in Parking Lot B. It is FREE PARKING during Weekends. It opens to the public and first comes, the first has a seat. Try to come before 7pm. Contact person: Tuyen Nguyen at asianstudentassociation@mpc.edu
