Dear Donors and Supporters,

We are thrilled to share a major milestone in our journey to honor early Chinese American immigrants in Pacific Grove. On August 19, 2026, the Pacific Grove City Council unanimously approved the final proposal and rendering scheme for the Chinese Pavilion project.

This historic approval is a direct result of your generous contributions, unwavering encouragement, and shared vision. With the site plans and design finalized, we are now moving forward with the remaining preparations to bring this project to completion.

The presented artistic rendering is attached for your information.

We reached our original fund-raising target of \$200,000 by the end of 2024. We will have the final cost after the city of PG sends out the site preparation and installation bid. I will keep you all informed when we have the final numbers of the project.

Thank you once again for your vital support. We look forward to keeping you updated as we take the final steps toward erecting this enduring monument to our region's rich heritage.

Warm regards,

Charles W Cha, Chair
